

COMFORT WITHOUT COMPROMISES

From Podartis technique comes Stilè, a new brand that combines **comfort and elegance, fashion and well-being**.

The Stilè collection responds to the simple principle of "**comfort without compromises**". Debuting this season is the men's line, designed under the banner of maximum versatility of use and with a rich "handcrafted" look.

Regarding the quality of materials, Stilè offers a **fine range of naturally tanned leathers, soft varnishes and suede leathers from the best made-in-Italy supply chains**.

All **anatomical insoles** in the collection are, in addition, **removable** to allow for the possible insertion of customized insoles.

*"IF YOU HAVE TO DO SOMETHING,
DO IT WITH **STILÈ**"*
